## MONTHLY MEETING MINUTES

MAY 9, 2024

### **Roadmasters Report**

Roadmaster Bruce Van Fleet gave an overview of his activity in the township for the month. He contacted a local contractor about repairing swales along roadways. He mowed the lawn at the township building twice. He cleaned up trees that had fallen near the residence of Nancy Bird and on Maple Road. He also noted that the college road bridge will re-open within the next few weeks.

### **Engineer's Report**

Township Engineer John Seamans began doing an inventory of all the road shoulders that will require 2A aggregate material to repair.

---

### **Zoning Officer's Report**

The zoning officer submitted his report in advance of the meeting. The Simmons property complied with the junk violation issued last month. He also received and responded to an inquiry about solar ordinances in the township.

---

### **Unfinished Business**

There has been no update regarding construction of the Keystone College Mould Pavillion. Attorney for the college, Jim Scanlon, reached out to Chair Lisa Huffsmith in late April regarding next steps for construction. He was advised that Keystone was to contact our engineer regarding completion of a flood plain study. That had not occurred at the time of the meeting.

The Factoryville Ambulance Authority will be holding a meeting at the Factoryville Fire Hall on 5/30/2024 at 7pm.

---

### **New Business**

Bulk trash pick-up day has been scheduled for 5/11/24 and to be completed by Prestige Disposal.

---

### **Adjourn Meeting**

Motion to adjourn was made by Lisa Huffsmith and seconded by Jeremy Wohlken.

Respectfully Submitted,  
Melissa Scott  
La Plume Township Secretary
