

La Plume Township

MONTHLY MEETING MINUTES

July 3, 2024

The La Plume Township Board of Supervisors met in emergency session on the above date and was called to order by Chair Lisa Huffsmith. Also present were Supervisor Gerald Henry, Supervisor Jeremy Wohlken. The meeting was requested after an urgent road safety matter was brought to the attention of the supervisors by township engineer John Seamans and Roadmaster Bruce Van Fleet and approved by PSATS in advance. Two sections of road shoulder, one on Maple Road and one on College Road, have washed out to the point of road hazard. Due to impending storms, they need to be repaired immediately. The supervisors received 2 quotes from MHW Construction. College Road will need gravel placed and compacted to match the existing road grade at a cost of \$3,200 and Maple Road will need the ditch repaired and stone placed to rebuild the road shoulder to match the existing contour at a cost of \$3,600. These quotes were approved in a motion by Lisa Huffsmith and seconded by Gerry Henry. Work to begin as soon as possible.

Adjourn Meeting

Motion to adjourn was made by Jeremy Wohlken and seconded by Gerry Henry.

Respectfully Submitted,

Melissa Scott
